“ I interviewed for a job at the bank and met Cathy about 8:00am. I remember this clearly since it was on 9/11. I had my second interview on Halloween. She called me the "doomsday" applicant. Cathy offered me a position that I wasn't even qualified for. I asked her why would she hire me when I was clearly not qualified for the position. She looked at me laughed and said when can you start. Cathy changed my life in more ways than I could image. She was funny but no nonsense, she was tough but had a heart of gold, she was one of a kind.

Within 3 weeks on the job she wanted me to join her in Atlantic City. I felt like a rock star!

My boss wants me to go to AC with her? I hardly knew this woman. I'll never forget when we got to AC she actually played a penny machine called " little piggies." Cathy won me over right there. She was exceptionally funny and I really enjoyed her company. So many memories, so much fun I will miss that quick wit. I looked up to Cathy she was my mentor. There are many memories that I will cherish, so many good times.

I will truly miss her. I know we will meet again someday...and when I get to heaven I have know doubt she'll be playing the slot machine "little piggies."

And to her family that she adored, this is very difficult to have lost the Arcuri matriarch. I I know in my heart she will always be with you all.

I miss and love you Cathy!

“ *Working with Cathy for so many years it's hard to think of only one memory. We had good times and we had hard times in our HR Dept. She loved to laugh and we had a lot of them for sure. We had lots of good things to eat too!*

She had such a beautiful face and beautiful eyes....I feel so sad that she is gone. However I'm glad her suffering is over.

Now I am sad for her family losing their "Matriarch". She lived for them her whole life and did anything for them. But I know they will pull together for her.

My prayers and love are with you all.

Love,

Jinnie

“ *Cathy adopted Barbara & I into her family many years ago. We shared many Sunday, Holiday & birthday dinners together. A few family vacations also. She also took me under her wing with cooking. Taught me how to make her awesome lentils, escarole & beans & lastly turkey chili. I will miss our Sunday visits and also her helpful advice. She always had time for me to talk or whatever, no matter what we were doing together. She will be missed, however I'm glad that she now is with her Mom, Carmine & Phil, with no more pain. Love you Cathy*
