“ *Chuck gave me my start by hiring and training me for a part-time job at DialAmerica. The part-time job became a full-time career in management. Little did I know then it would become a very satisfying and rewarding career. I retired a few years ago as a partner in a large executive search firm where I recruited call center leaders for my clients.*

I owe it all to Chuck. Chuck always had a great smile, was a great teacher, and had a wonderful sense of humor. You can tell he really enjoyed life and was blessed with 90+ years of living.

Rest in peace my friend!
