“ *Popi.....you were an extremely loving and caring man. You filled us with great stories, with a sharp mind til the end. I have great memories as a child and adult that I will cherish and continue to tell my kids about. You gave good advice, even when it came to your great-grandchildren, who loved listening to you and laughing with you. So glad they had you in their life for as long as they did. We will all miss you. But I will smile now knowing you are with Mommy and Nanny again.*
