“Cliff was always considered my father in law he was also a Grandfather to my children Kacie, Mikey, Aidan and Morgan. He was a Step Father to my husband Mike who was like a son to him. He helped Mike from the start getting him first job, helping us get settled in Staten Island. He always remembered the kids birthdays and Christmas time as well. Called Mike every week to check and see how every one was, Last call I answered from him he said "Im still here" and he always said "for cryin out loud" Cliff will be missed very much and We all pray for his eternal rest with Rita...Amen
