“ I will always remember you and being a kind and loving aunt. In NY people would ask if you were my mother. I remember you taking care of Grandma and keeping busy doing some kind of house work. Danny and I will miss you. xoxo

“ Connie was loved by her many family members - she was devoted to them all. Her many nieces especially remember her fondly. Connie loved her mother, Angela dearly and they lived many years together. Connie lived to be 99 years old - the oldest member of the Capitulo family thus far. Her mother passed on April 13 1994 and she passed on April 12th - we are confident she is with her mother, three brothers and two sisters who passed before her. We love you Connie - you will be missed.
