“ *One Tit Tina, my pet name for my sweet Aunt Tina, always laughing, always cooking, always dancing with my Uncle Frankie (Doc). I loved going to her apartments in Brooklyn and eventhough I moved to Florida many years ago, I would always go to visit her when I came up to Brooklyn. She always cooked my favorites, stuffed eggplant and rice balls. For many years I was able to enjoy seeing her and spending time with her here in Florida whenever she came down for the winter. Mom and I would drive up to Boca to go out to dinner and a movie or she would cook for us at Eilen's or we'd eat at Arlene's and played poker! Alwasy a good tiem, great memories, and family connections. When she got too sick to travel, I missed her, but I alwasy called to chat. She never forgot my birthday beacuse it was the day after Uncle Frankies and she always sent me a card and I sent her one as well for her birthday I was fortunate to see her in February 2017 at my Uncle Augie's 90th Birthday Party in Staten Island. We had a few drinks together (she did enjoy a cocktail or two).She was a ray of sunshine, the life of the party and will be forever in my heart and memoies. RIP dearest Aunt Tina, I can see you dancing the Peabody with Doc now. Love you, Barbara*

No words for our loss. Your mom was our matriarch and the life of the party. I know that they are all celebrating together. Her memory will live on in all of us. Sending hugs and kisses.*
