

Cynthia Accime-Tobias,

March 13, 1980 - June 3, 2022

Our Princess!

Our little Princess was born in Brooklyn NY on March 13, 1980. She was the joy of our little family of three. She was very sensible and ambitious. As a kid, we rarely had to help her with homework. She would say things like "I got this" and she did most of the time because she was an incognito genius. She grew up with all her imperfections (like the rest of us) and became a complete woman with a family of her own.

Our Cynthia was an extrovert who would go above and beyond to assist others even when she didn't have to. She was respectful to all. She respected her elders by not calling them by their first names. She was a good friend, an excellent family member, and a great mother and wife. She was defiant and also sweet in all facets of life. She loved life. She loved people, especially children. She was the mother of all children.

Before she left us on Friday 3rd, 2022 at 3:06 pm, the family was everything to her. She managed through bad times to realize her dream which is a master's degree in sociology and started to work on her passion to become a chef to create: Cynthia's table the restaurant.

Her life ambition led her to one promotional job after another. When she wanted to do something, no one could deter her. She was a determined young woman despite it all. She wanted to be remembered as a beautiful human being who enjoyed her family and others with infinite love.

She survived by her children as she called them: Fofu for Fortune, Legi for Legin, and her husband Jelly for Nigel Tobias. Then, her brother (Freyfrey) Jeffrey Accime, her dear mother and best friend Micheline Jasmin-Accime, her favorite dance partner/dad Jason Accime, and lastly her godmother and godfather Marie Jasmin-Antoine and Frantz Jasmin. Now as she wanted, she is with her daughter "Empress" cuddled in heaven.

A sepsis infection caused Cynthia's death. Cynthia will be missed and our life will never be the same without her. Rest in lovely peace Princess. We will cherish your daunting memories until we meet again. We love you more than you'll ever know.

" We can judge others, we can love others but can't do both at the same time."

A Mass of Christian Burial will be offered at 11:00 AM on Friday at St. Patrick's Church located at 53 St. Patrick's Place Staten Island, New York 10306. Interment will follow in Oceanview Cemetery, Staten Island, NY.

The family will receive friends from 9:00 AM to 10:30 AM on Friday, June 10, 2022, at John Vincent Scalia Home for Funerals, Inc., 28 Eltingville Blvd, Staten Island, New York.

Mary
Helen
Wallace

As a neighbor, I knew this beautiful lady, but even more through her husband who always sang her praises. A blessing to her family, she is now happily in her heavenly home. May God continue to give Nigel and their sons the grace to live courageously and in peace, as the wonderful people they truly are, until they are all reunited forever.

SK

My Cynt,,

Your Twin "Free Free" as you would imagine with that smile you have shining on him inspired me to include this on this date as well as what he revealed of your beatific vision of "tee na na". Super nice person, like you who I ironically read this at her as well as Empress' homegoing and felt it proper to leave it for you as well (you selected it)

A Reading from The Book of Wisdom

The souls of the just are in the hand of God and no torment shall touch them

*They seemed, in the view of the foolish, to be dead
and their passing away was thought an affliction
and their going forth from us, utter destruction,
But they are at peace.*

For if before men, indeed they be punished, yet is their hope full of immortality: Chastised a little, they shall be greatly blessed, because God tried them, and found them worthy of himself. As gold in the furnace, he proved them, as sacrificial offerings he took them to himself. In the time of their visitation they shall shine, and shall dart about as sparks through stubble: They shall judge nations and rule over peoples, and the Lord shall be their King forever. Those who trust in him shall understand truth, and the faithful shall abide with him in love: Because grace and mercy are with his holy ones, and his care is with his elect.

The Word of the Lord

Happy 1 year anniversary with your Heavenly Family; The Earthly misses you soooooo much and as I said initially on 6/10/2022 "See you Later" pass this on to Jesus for me as well. Smooches

Love always, Marie

“ *Fate smiled upon me the day you became my Sister-in Law, From the very beginning I felt 'at home' in your presence and I knew in my heart that the two of us would grow closer through the years. Now, as I look back in time, I am reminded, of just how much we have shared, And I am grateful that I was Blessed with a Sister-in Law, whose warmth, thoughtfulness ,and Sense of Compassion, served to make my days brighter, my sorrows more bearable, and my life richer in so many ways. For this....I feel fortunate beyond measure, I will miss you dearly Sis. Your death impacted me in ways I didn't expect, But, the years and moments we spend together impacted me the most.*

“ Good Morning Jason,

I am so sorry to hear of the passing of your very beautiful daughter, Ms. Cynthia.

May she rest in peace, and feast in God's eternal everlasting love and grace.

Me Mum, Miranda Miller is celebrating her 90th birthday today in Heaven. She transitioned April 26, 2020 shy of 88 years.

They never leave our hearts, our love, being there for each other.

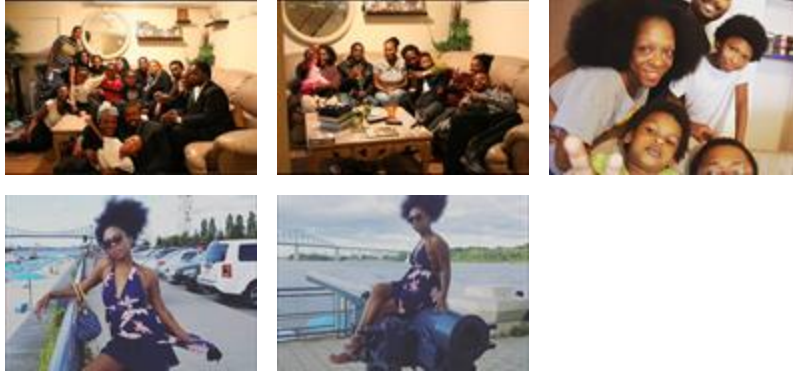

As I am going through also, please be assured you are not alone. I wish you peace, strength, and faith.

I am at 718 801 9141...Blessings...

“ *Princess to Princess Fondest memories is when Cynt took her first walk from the outside of 334 Montgomery Street. Knew she'd go real far from that time (she was soooooo tiny and soooooo loved) to transform into such a Beautiful young woman of God! So powerful. I will miss family times (always a priority) and those special Kreyol La, Tivice, Klass and Carimi Soirees. Rest in Power, God's Daughter, Goddaughter and Sisterchild!!! Love Marie*
