“ Letter..

*As I think back and reflect on my life and family all I see is Love
As I little girl I had a Big sister who I Thought was the most Beautiful
girl with this Amazing smile...*

*I always wanted to be with her and her friends.. but as a little sister I
never was wanted by them.. I admired them from afar...*

*As we got older we became friends ..She got married and had 4
wonderful children .. I Got married and had mine...I would take her
two older daughters with me and my children and they would play
together...her older girls played and entertained their little
cousins...and they became like sisters...as her youngest daughter
got older she joined in the fun...our son also became friends!*

*We had busy lives...working, children and taking care of our
families..but when holidays and birthdays came we had each
other..Family was important...*

*Years of this family tradition never left..we would fine that time...
Our Mom left us one day and never came back..She went to visit
heaven! It was hard on our family since we were so close..family
traditions continued but was a little different without our Mom...As
we accepted the Loss and started again to Enjoy traditions ...my
older sister would be sick again...Cancer struck twice ...as the
weeks, months And Holidays passed We tried our best to continue
all our family's routines and traditions so she could enjoy every
moment...But also we could make memories for ourselves...*

*Treatments would take place for months...Holidays & Birthdays
would come and go...but as the treatments were not a
success...sickness and weakness started to take over ..But in all
this time as I watched my Sister suffer in sickness I also saw a
Fighter Fight the worst sickness a person could have...Why?
Because of her Family!!! She fought and she tried to beat this ...she
Never gave up because of the LOVE she had for her Family...As we
sat there watching her fight to live...we had to tell it was time to
Go...to leave her Family who was her life ...as we fought back the
tears telling her it was "OK"...She left us and went to Our Mom...
My Sister Cindy was a wonderful Mom,wife, daughter,sister and a*

friend to many... I thank everyone who came to say good bye to her ...Her beautiful smile will live in her children's face ...her amazing work as a mother is proven ...because I have 4 caring amazing nieces and a nephew ...

The Family traditions will continue and we will continue to make more memories ...It will be different for us ...But we have the Love and the Bond that will keep us going and Her Memory in our Hearts Forever!!!
