“ I just found out this afternoon about Danny from a co worker of when I worked at MVP. I was sad to hear this news. Danny was a great supervisor and a even better person. We always had some good chats at 4 am in the yard . Will miss you brother and rest easy my friend.

“ Danny recommended and trained me for the road supervisor position at.mvp. He showed me how to do the paperwork and all that the job entailed. He was tough but fair with his Co workers and was highly respected by them all. He was a good guy with a strong character and a really great sense of humor. He will be greatly missed. R. I. P. Danny 🙏

“ Danny, there are so many fond memories I could share but I'd be here forever writing them down. You were a blessing in disguise the very first day I met you at work. You weren't just a safety manger. You were a friend who I could count on. You are loved and missed
