“ *Danny was the best neighbor and we've known him a long time. May God Bless his soul....what a gentleman he was. Keep watching over everyone and condolences to the entire family. We are going to miss seeing you across the street!*

“ *My brother was 10 yrs. older than me & 6 yrs. older than our sister, Emily. I have "snapshots" from our youth. Danny helping me with my homework; sitting around the dinner table playing "music" on the glasses & dishes with the silverware; his long-standing "Yankees vs. Dodgers" feud with our cousin Angelo; singing do-wop with his friends. And in the end, showing up in the best way for me & Emily. I will forever miss you my brother. Until we meet again.*

Danny was four years my senior, we were active in our church, he always looked after me. I was a bit of a tomboy so I played ball with him n his friends then when we got older💕I started liking his friends . He was my buddy then little sister came along like a surprise and she was quite a bit younger than us. We loved her she was like having a real live doll , I love my brother so much, he was always their for me. Especially the last few years Brother you will be terribly missed but I can just see the loving eyes on mommy n dad's face , rest with the angels and ours in heavenly peace until I meet up with you, 🕊️🙏😭🥹

Marilyn and Emily, my deepest condolences to you and your family on the loss of your brother. I only knew of him through Marilyn's stories of the three of you so I know he was as good a person as you both are. May he Rest In Peace and may he stay always in your memories.
