

David Acevedo

August 8, 2022

David Acevedo, 31, of Staten Island, New York passed away on Monday, August 8, 2022.

David loved to take long road trips. He was a very spontaneous person. There wasn't a month he wasn't out and about. He loved going to car shows growing up with his grandfather; he couldn't wait to get his license.

He then Traveled all over the world. He loved going on hikes/beach and watching the sunset. Every time there was a full moon he couldn't get enough of it. He loved all kinds of music. David loving going to festivals, he got that from his grandfather who was a hippy at Woodstock.

He dreamed of having a cabin in the woods alone with a bunch dogs he was a loan wolf like that but he touched so many people along his travel journeys and made life long friends from it. Can you also add that he loved camping and the wilderness. Always finding a cabin

David was also a big foodie and always trying the best thing in each city. This kid always had his phone on him taking pictures and fun videos of his family and friends. He got his first camera and a young kid and was known for the guy taking videos and making everyone around him laugh constantly until they couldn't breathe.

He is survived by his parents Carlos and Doria and his sisters Kali and Dana.

A Memorial Service in David's memory will be held on Monday, August 15th from 4-8 p.m. at the John Vincent Scalia Home for Funerals Inc. 28 Eltingville Blvd Staten Island NY 10312.

“ *This picture is the first year of our friendship (2011) and the first birthday we spent together. He invited me to Arrirang Hibachi with another friend and his family. Our friendship came so naturally and was filled with laughs, long drives, music, indulgent food and so much more. I will always cherish our moments together and you will be in my heart forever.*
