“ *It is with sadness that I just learned of the passing of a great friend from my time at the NYPD (though the quarterly RSA Newsletter). Dave always had a big smile and brightened up any office that I saw him at. I will always remember our Tuesday morning calls discussing the previous crime stats and bouncing things back and forth about our Access Database's. My thoughts and prayers go out to his family.*

I "met" Sgt. Dave a few years through my friend Brian. We actually became good friends through email. We always talked about one day meeting and grabbing a beer. I was truly saddened we never got to meet. He was a great man and taught me a lot. I loved emailing with him and busting his chops about Abe Lincoln and the South!. I will really miss him. Rest in Peace my friend.
