“ *Dear Marie and Anthony and Family,
I'm so sorry to hear that aunt Dea has passed over to the other side. I remember all the dinners we used to have in the basement in your Staten Island home when we were kids, and how she always had all that delicious food. I loved that you guys came here to the Capo Cookout and that we got her to pet the llama, and she shared stories of how she and uncle Tony met. I'm glad we got to spend that time together. Love you all - Frannie*
