“ I was just informed of the passing of dear Debbie. To Frankie and her family I am so very sorry for your loss. I am shocked at the news. I worked with Frankie's Mom at the Regina Pacis Rectory and met Debbie through Mrs. Amodeo. She was the nicest person you could ever meet. I could tell how blessed she and Frankie were to have eachother. My heart aches. Prayers are sent your way. Love, Denise Leone

“ I'm so sorry to hear about your family member's passing. When my father died I was comforted by what the Bible's hope for the future will be. Revelations 21:4 states: "and he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." What a wonderful hope God promises for the future, a resurrection of the dead to live on earth under perfect conditions! My hope is that you and your family are comforted by what God promises. My condolences are with you and your family at this time.

“ My dear dear sister words cannot express the pain I am feeling right now. You tried to get through this but I knew deep down inside you just couldn't do it. Your now with mommy,daddy,and our precious jackie. I know you will always be by Justins and my side. We will be okay and your worrying about everything has now stopped you can now rest in peace.
