“ Although you weren't my daughter (Meka) grandmother, she loved you like you were. I know you two had a special bond due to both riding horses. I hope you meet Mekas Gigi in heaven & you two can watch over Meka & Kaylee together.

“ I will always remember seeing Debbie this past summer sitting in the garden in the front of the house planting. She looked like a little girl playing. It brings a smile to my face and a comfort to my heart when I remember her beautiful spirit. You always walked away from her feeling better than before. She was a perfect example of God's love. RIP my beautiful neighbor....

“ In 1996 I was assigned to teach at P.S. 5. I took over one of the two first grade classrooms as Debbie wanted to move to the second grade. Good thing I wasn't aware at that time of the big shoes I had to fill. I would have been very intimidated. Debbie gave me a warm welcome and made me feel very comfortable and capable. That's not something I will ever forget. She was a special kind of human being. She will be greatly missed I am certain by her P.S. 5 family and by me personally.
