“ Dear Denise, I am so sorry for the great loss we have. We worked together well always telling stories and laughing. You always wanted to help everyone. I can't imagine you not being around. I offer my condolences to your family and the two beautiful grandchildren and daughter you have. I hope Charley is well and strong enough for such a tragedy. May God bless you and your family. Rest in peace, I will never forget you.

“ I am so sorry for the loss!..Denise was a beautiful soul, both inside and outside.. Although she worked in Brooklyn and I in Queens, we would go out together after our monthly meetings and share events..She was always so caring and fun to be around! May God rest her soul and I believe we all have gained a guardian angel...
