“ Dear Sophie and family, I am so sorry to hear about the passing of your beloved husband Dennis. I knew Dennis and Sophie from Our Lady Star of the Sea days, he was a dedicated husband, father and grandfather. I use to see him on the soccer field at Miller field watching his grandson play. “ Dear Oliva family, i am an old friend of Dennys from 50 years ago. We use to hang out together in Brooklyn with our other friends especially Roseann Powers. Denny was a friendly funny guy and hearing of his demise was very very upsetting. I am very very sorry for your loss and know that he is at peace. I know he was a family man and often spoke of you with a full heart. He will be sadly missed. A soul taken too soon. Rest in peace my friend.

“ *In Loving Memory of Dennis Oliva*

Before our cruise from Fort Lauderdale, my daughter Jennarose and I were lucky enough to spend some time with Dennis Oliva—time that we now hold especially close to our hearts. From the moment we arrived, Dennis welcomed us with open arms and genuine warmth. He had a way of making people feel instantly comfortable.

He took us out to dinner that night, and we laughed more than we had in a long time. His stories, his humor, his easygoing nature—they all reminded us of the simple joy of good company. There was something so sincere about Dennis. He didn't need to try to be kind or thoughtful; it just came naturally to him.

That evening in Fort Lauderdale, filled with laughter and light conversation, is a memory Jennarose and I will always cherish. Dennis left an impression not just with his generosity, but with the spirit he brought into every moment.

He was a good man—a kind and welcoming soul—and he will be missed more than words can say. We'll carry his memory with us, grateful for the time we had and the laughter we shared.

Rest peacefully, Dennis. You'll always be remembered
