“ *Desmond and I were friends for many years, and have gone through so many different things together. From the good times to the bad, laughter and tears, Des was a true friend through it all. We could talk about anything. Desmond was there for me countless times. He had the biggest heart! I moved away in 2010 and we lost touch...and I regret that. I know Des felt everything so deeply; I hope he knew just how much he was loved and the impact he made on myself and so many others who loved him dearly. Thank you Des, for being a true friend to me, and making so many memories that I will remember always with a smile. I love you, rest peacefully my dear friend xo*
