“ Dear Lisa and Lori and families, I have always had a great fondness for your Mom from my earliest memories of her when you, my brothers and I all got together as kids. I can remember her always with a big smile and an easy laugh that would brighten up the mood for everyone. I will never forget her.

My wife, Lynn, and I send our deepest sympathies to you all.

With love, Ricky and Lynn Giovinazzo

Thank you so much, we appreciate that. And what a great pic of mom, thanks for sharing. We always had wonderful memories from those days, and your mom was an amazing woman and role model for me. Now I imagine them all having a great time in Heaven together. Thanks again,  
Love, Lisa
