“ *Diane,  
I'll always remember our childhood together when you and Joanne would come to our house and play for hours with Nancy and me in our basement playroom. You were always so kind and easygoing about everything, especially when we did our “musicals and plays.” Then there were the times we went to your house and stayed the night. These were fun times and I cherish these memories. Though the miles separated us as teens and into adulthood, you were in my heart. I'm sad you had to leave us so soon. Rest In Peace, Cousin. Love you forever,  
Cousin Debbie*

“ *Dear Diane, we were not close in years or miles- so we did not know each other well. But we were cousins, and therefore family. Family is a gift from God, and I mourn the loss of that gift in your passing. God bless all the wonderful memories of you that so many have. Love, Connie Kerwick Kearns*
