“ *I don't know where to begin to express how I feel at this moment, I will miss you very much. I enjoyed teasing you and calling you my boyfriend but I know you are now reunited now with your one true love now in heaven, your wife. You and your sons always welcomed me and my family into your family and we have had many of great times and memories and we loved you guys for that. You guys are truly our family, not by blood but by love. May you RIP Cappy, until we meet again. Love you always. Debbie & Anthony Guzzo & Family XO*

“ *It is with fond memories thinking of our uncle and time spent with him and his family, he was a very caring and kind person and he never met a stranger, all were friends. I especially remember as a child, and that goes back a very long time ago, my uncle took me and my brother to a children,s Christmas party and we had such a good time. We always had good time at the Santa house, memories to last a lifetime. He will be missed by all who were privileged and blessed to know him. May god bless his family at this difficult time in there lives. cousins Nancy and Sheldon*
