“ So many memories we've had living in the same house. I can hear your "The Don" voice and your beautiful guitar playing, and coming in late with your equipment after a gig. Play on Donny. You are still loved and will be missed. 🧡💛💚 Tammy & your "student" Kenny

“ *There aren't enough words to say what's in my heart. So many wonderful memories. Donnie was a wonderful husband, father and grandfather. A good guy -- they don't make them like that any more. He loved his guitar and music -- a talented musician. Now he can play again. Much love to you all. Lorraine*
