“Where do I begin to share my memories of my dearest friend of over 63 years? Memories that span the days we would share many meals together. From eating sandwiches on the round white bread she had in her house in South Ozone Park when her father would say, “Enjoy I will give you the check later”, to rushing down lunch in the cafeteria in Delehanty High School because we were allotted 15 minutes for lunch, to the barbecue at her first house where it would be the last time we would be with a dear friend to our last meal together just 9 days ago. Donna you wrote in my grammar school autograph book that it took South Ozone Park to grow a peach like me, Donna I write to tell your dear Mom, dear husband your dear children Allison and David that I may have been the peach that South Ozone Park grew but you were and always will be my friend of gold that grew from our days in South Ozone Park. Rest easy and may God comfort your loved ones always.

“ My dear sister-in-law, I will miss you so much. We have shared so many laughs over the years, and I will always remember how much you supported me when Yehonatan was born. I will miss our time together and how you were always on top of things and took command of every situation. Enjoy your new chapter of the universe with your Dad and brothers, and my Mom and Dad. Love you always. xo
