“ *When I was 9 or 10 , Aunt Dorothy babysat my Siblings and myself. I wanted to watch “My favorite Martian” .. I was a little upset and causing a tantrum ; I threw a roller skate at her down the stairs. My aim not good. Aunt Dorothy ran up the stairs so fast I couldn't get away from her. She opened my dad's closet , pulled me up by my hair , dragged me into the bathroom and made me eat a bar of soap. Not literally though. I had so many many good times with Aunt Dorothy. I thought she babysat us for years. Years Later , Aunt Dorothy laughs at the story. But let me know she only babysat for us for six months. Aunt Dorothy , I am going to miss our times together. I Love You. 🙏❤️🌹*
