

Douglas John Smith

June 29, 1976 - April 25, 2020

Douglas J. Smith born on June 29, 1976 in Staten Island, N.Y. was a loving father, beloved son, brother, brother-in-law, uncle, nephew, cousin and a great friend to all who knew him. Doug is survived by his beautiful family Rossella, Alexandra & James, his loving parents, Ed & JaneAnne, his best friend & brother, Thomas, sister-in-law Krissy, loving nieces, adoring uncles, aunts & cousins.

Doug attended P.S. 36 in Annadale, I.S. 75 in Huguenot, St Joseph By The Sea H.S. and earned a Bachelor of Science degree from St. John's University.

As a young boy in grade school Doug developed his love of sports. He was the starting point guard for Holy Child's CYO basketball team which won four consecutive NY State Championships. Great Kills Little League was where he learned to pitch and play first base. His passion for sports continued in high school at St. Joseph By The Sea where he played both varsity baseball and basketball. As an adult, Doug became an avid fan of both professional and collegiate football and basketball. He was the "Stat Master". His favorite teams were the New York Giants, the Oklahoma Sooners & the Los Angeles Lakers.

Most recently, Doug's favorite pastime was teaching his daughter Alexandra to play basketball at is Alma Mater, St. Joseph By The Sea.

Alexandra & James were most especially the "Light of his Life". He was always happiest when he was spending time with them. He will forever watch over them.

Doug's contagious smile and winning personality made it easy and enjoyable to be with him.

"TO KNOW DOUG WAS TO LOVE HIM"

Douglas' family will plan a mass and Celebration of His Life at a future date. They are hoping it will be on or around June 29th which is his birthday.

In lieu of flowers, the family will set up an account for donations to be made for the education of his children, Alexandra and James.

Thank you,
Ed & JaneAnne Smith

“ Chris and I will miss Doug. A man with a warm heart and a bright smile. College football Saturday's will not be the same without the texts we shared. Boomer Sooner he would write after big Oklahoma wins. I so anticipated finally going to a game with him this fall. While our texts revolved around sports, we also talked about life. He loved spending time with Alli and talked about coaching James one day. He would also talk about how lucky he was to have a brother like Tom, parents that he loved and special Aunts and Uncles. Our prayers are with him and all the family. Mike and Chris Elkow

I had the fortune to work with Doug at NM for a few years and was pretty close to him since he was in my training class. Can't believe he is gone, he was a funny and pretty cool dude,.
