“ Some of my fondest memories of my Aunt Eda was of family times in RI. When she was young, us girl cousins thought she was the prettiest and coolest (she is 3rd in on the left with the stylist yellow dress) of all the aunts.

Another memory is at their summer house on Franklin Avenue. The aunts and uncle used to play penny poker. One day I came in and she asked me if I wanted to play, I remember to this day how thrilled I was. She made me feel grown up. I didn't have any pennies and she said to take some out of her jar. Everyone had a penny jar, My cousin Elaine said she has her jar to this day. This is the kind of aunt she was always kind, thoughtful and she always made me feel good.

*Rest In Peace Aunt Eda, I love you and will miss you very much.
Love, your niece Angela*
