A New York State decision that those who are vaccinated are no longer required to wear masks. However, our staff who have serviced over 350 covid funeral services safely will wear masks to protect those who have not been vaccinated or those who feel uncertain and our own families. We feel this is necessary because we have handled 8 covid deaths in the month of May and more as of this writing of June 21st.

Due to the current pandemic circumstances please note: We ask that you please send bakery products, fruit baskets, and other personal items to the families home directly. Floral Arrangements can be purchased from our in-house floral designers by calling 718-948-2016 to place your order or to request a catalog of selections that can be emailed to you.

“ *My deepest sympathy and condolences, never thought I will ever write this for edgar.*

Today is one of the saddest day in my career I've met edgar for almost 18 years ago in business, we truly clicked, I'm honored to know such a wonderful man like him. He will be definitely be missed. The unbelievable part he was on my mind for the past 3 days even came in my dreams but I did not get a chance to talk him. God bless your soul edgar. Your friend seif Abdraboh

“ *I had the pleasure to work with Edgar for 15 years. Edgar was not only my manager but a very close friend. As a manager, Edgar always treated me to the finest lunches, where he introduced me to many foods of all different cultures. We always had a lot of laughs and stories to exchange. He is remembered as a man of integrity, loyalty and dedicated employee. He believed in me and always motivated me to strive for excellence. I will miss Edgar's calls, funny stories and life lessons. I was fortunate enough to see him and let him know how much our friendship meant all these years. I spoke to Edgar on a weekly basis for over 20 years and although it will be hard for me, Edgar will always be in my heart and the memories will last forever. May Edgar Rest In Peace and his family find happiness through his legacy. He will be missed dearly.*

*Sincerely,
Matthew Zelevansky*

“ Ed was my boss for 7 years in Lorillard Tobacco. I was proud to have him as a mentor. He gave me a chance of a lifetime. When I did not believe in myself, he believed in me. He gave me the wings to grow in the company , when I told him I never in my life had a new car, he handed me the keys and said it's with great pleasure to give you this new company car. We built a friendship and had as a team the best in Brooklyn because of him. We loved to eat for lunch Turkish food from George's. Or Tate Bette. I still miss our team and my job every day. Ed I will never forget the opportunity you and Paul presented to me. May you rest in eternal peace.

“ My deepest condolences to the entire Mejias family. Mine and my family's prayers are with you all. I've had the pleasure of knowing Edgar since the 90's as my Lorillard rep. Fast forward to 2001 he helped me getting hired for a Lorillard rep. Thanks to his mentoring I am still in the industry. I will always remember the good times spent with him as a friend and mentor. May his soul rest in peace.

I lived across the street from Eddie & Denise on 47th street for most of my upbringing. I admired Eddie because he was always so polished. He had the most meticulous and nicest cars in the neighborhood. He was always friendly to me. Not too long, I was able to see Eddie and chat with him at the funeral of another good person from the block. Other than a few grey hairs he looked untouched by time. I am deeply saddened to hear of his passing and I pray that he will rest in eternal peace. My Deepest sympathy to Denise, Raquel and all of Eddie's loved ones.
