“ Eddie my friend and brother. There was no one else I know that could light up a room like you did. Your spirit is strong, and will continue to influence those you left behind. As with all of us, we love you deeply, and will never forget how happy you made us feel with your infectious laugh. Never did I ever see you out of control, which I admired so very much. How great were the battles you and Whiteman had at the poker table!! I am sure you will visit us many times, and when we finally sit at a poker table again, there will ALWAYS be a seat for you and Stella. Keep smiling forever Douard and warming our hearts...
