May he rest in peace. Sleep with the angels because he is your and Nancy's angel. Love you Tara!

“ *The memories I have of you from the day you were born until the day you were taken from the lives of so many who loved you would go on for days. The light that you brought to me and Nancy's life was like no other love I have experienced. each day without you is like a day without sunshine. I miss our jokes, reading each other's minds , finishing each other's sentences and singing together . You were more than a brother, you were a son, a best friend, a confidant and a protector.*
