“ *Ellie was a warm and loving person. We started at R&P a few months apart - almost 30 years ago. She was a mother figure to many. Whenever we had a problem we would run to Ellie for advice. We shared many laughs as well as tears. She will be truly missed, especially by me. I will always love her. I know she is in a better place - she is with her beloved Frank, Trigger, Maryann, Arlene, Pat and many others - May God bless her and her beautiful family.*

My deepest sympathy to her family - Maureen, Susan, Janet and Carolyn,

Love,

Angie Gonzalez

“ I remember as a child, realizing Aunt Ellie wasn't like any adult I knew. She never asked me boring questions like what grade I was in, or embarrassing questions, like do I have a boyfriend yet. She talked to me like I was a person. She was always in the moment. A warm and wonderful woman.

“ My memory of ur mom is visiting you guys & my dad & ur dad would put his gun on top of the china cabinet, they would call Ellie in & ask her to get something off the top of the china cabinet, she would reach up..touch the gun .. and freak out screaming, my dad & uncle frank would be rolling on the floor laughing ! I think of that moment often & smile, Now all three are together again, laughing I suppose !!

“ Miss Ellie was a wonderful lady. As I passed her desk each day at Thelen Reid, we talked about many things, but always about children. My daughter was brand new. I would have a question for Miss Ellie and she would always answer with wisdom, and with the humor she had acquired in raising her own children! She made me feel more confident as a new mom, and I appreciated it because my mother was already gone. We laughed a great deal and I don't ever remember her complaining. My heartfelt sympathy and prayers go out to her family. Eighty-four years of life is a great tribute, but I know personally how hard it is to say good-bye. May the comfort of the Holy Spirit rest on you and give you strength. With sincere condolences - Minister Barbara J. Wilson

Thank you, Minister Wilson, for sharing your remembrance of my mother. My sisters and I are stunned by the outpouring of love and affection for our mother, many from people we have never met. I am so happy to know that she touched your life in such a way. We miss her already and will try to live our lives as she did ... With love and kindness.

“ *When my firm, Thelen, merged with Reid & Priest, and our small group moved into R&P's office, we weren't met with the warmest response at first. (That did change and we all became very close.) But Ellie was the one person who welcomed us with an open heart and open arms. She made us so comfortable. Over the years working with her, she was one of my favorite people there. Her upbeat attitude, her smile, warmth and friendship will always be remembered. My condolences to your family at this difficult time.*

“ *Dear family,
God bless you during this time and always.
Ms. Ellie always made me feel so welcome-
like a fifth daughter. I have many fond
memories of dinner with the family- just
laughing and enjoying each other's company. I don't know where
she got all her energy from-whether commuting to the City for work,
vacationing or babysitting- she had a love for life and her family and
friends that was unsurpassed.
God bless you and keep you, Love Theresa Doyle*
