“ *Just loved seeing “grandma Betty” (my kids called her that also!) at your family parties- she was always eager to catch up, know all about what my kids were doing, and how I was and made me feel like we were part of her family as well. Heaven just gained an angel that will be the life of the party! All our love and condolences ~The Stillman Family*

“ *Betty was such a wonderful caring person. I knew her from the Options Program where she made sure everything was working perfectly. She even called people up to check on them during the early days of Covid. She was truly one of a kind and will be missed.*

“ Amy and family, so sorry to hear this earlier today. Your mom was as great as they come. Her personality was second to none. I remember being at your home in SI with Marisa and your friends and she was the life of the party. Her laugh and voice still make me smile. I'm sorry she's gone but never forgotten even by those who barely knew her. Her reach was immense.
