“ Elizabeth ("Betty") was one of several of my special extended neighborhood mothers, along with Nancy Schiro, Helen Coll, Theresa Portugal, Theresa Caruso, etc - all of whom were as quick to kiss and hug me hello, as they were to yell at me for doing something stupid (which was so often, there needs to be a book or movie about the insanely stupid things we used to do). Betty was such a wonderful woman and caring person. I just saw her last year for the first time in 15 years, and she immediately hugged and kissed me hello, and instantly brought me back to when we were younger. She was very special to me, and I'm going to miss her. I am so sad to hear about her passing. Love you John and Joanne... I'm sorry. Love you Betty... See you again soon. Dean.
