“ I always loved listening to Betty's stories. She was entertaining, funny, generous, loving, caring, strong, and always told it like it was. We would go to hang out with Brandon, but somehow Betty always stole the show. We are forever grateful for the hospitality she and Fred showed us all these years. Your memory will shine forever in our hearts. We love you. And our thoughts and love go out to Fred, Brandon, Kayte, and the entire family during this difficult time. Love, Chris and Val

“ *I met Betty when we were about 13. Who knew that we would become life-long friends and that she and her rock, Freddy, would be the ones to introduce me to Carmine? Carmine and I will miss Betty for the rest of our lives. God bless her and her family who took such good care of her throughout her ordeal. Betty was so proud of both Freddy and brandon and loved Kayte who took such good care of her. Love, Pat and Carmine*
