“ *When I think about Elizabeth I recall a lovely, kind and gentle lady who always had a smile on her face and never had a bad word to say about anyone.*

*I am so sorry for your loss and and I pray that time helps to heal your sorrow. She may be gone from your sight but she will never be gone from your heart.*

“ Where to begin!

*Betty....Such an amazing woman, friend, mother, wife, grandmother, teacher....All of this and much more! Betty's kindness touched the lives of all of us who had the great fortune of knowing her --all of us who shared incredible moments with such wonderful friend!*

*She was always there for those in need, for friends who needed company when sick or depressed, friends who wanted to share joys and accomplishments. She always smiled! A true lady, a true friend, a true and kind soul who brought so much light to this world!*

*We will miss you so much dear Betty! And to Remo and family, please know that all your friends from Florida are with you in this difficult time of your lives. We will be here for you too Remo. You will have our support, love, and we will help you in any way we can when you visit us. You are also an exceptional man who deserves the best from all of us. Please come down and share your memories of Betty with us.*

*Our sincere condolences,*

“ Signora (as my kids call you) you will be missed. You were like a grandmother to my kids. Vincent and Victoria love you and ask for you every day. I will never forget the day you ran to help me when Vincent fell and hurt his arm. You came up to my apartment so quick to help me. You were my rock that day!!!
