“ I had no idea you were that sick. You hid it from all of us. We all love and miss you. You were one of the strongest persons I knew. I wish I could have been there for you. I never got to say goodbye. You were so full of life. There wasn't a thing you couldn't drive or shoot. So full of life, so much fun to be around. You were like snow white with all of the animals. You had a heart of gold. I was blessed to call you friend. Until we meet again Love you xoox
