“ I met this man about 25 years ago when I was an apprentice. I worked with him for a few years, he was an awesome dude and taught me so much of what he knew about the trade. Was a funny, down to earth dude. Thanks for everything, Emilio. I'm glad to have met you in my journey, and you will be missed. Condolences to his family. Rest well, my friend.

“ E-Million. The stories you told, the safety you provided when we were out... the children you and Berta created.... I'll forever hold these memories close and remember you fondly. Ride hard. Ride fast. Fly high! Rest easy, Emilio.
