“ *My heart breaks at the loss of such a strong and loving woman. Thank you, Emma, for inviting me into your family and treating me as one of your own. Your love and kindness will never be forgotten. Your strength was amazing and you more than passed that on to your daughters and your grandchildren. I will miss walking into Angelina's house and sitting at the table eating all the salty foods we shouldn't have been eating!!! Who else will I go through a whole bag of salty chips with? You were 1 of only 2 women...other than my mom....who could talk to me and set me straight and I took it!! Thank you for all of that and more. Love you now and always.*
