“ *“Family” isn’t defined by last names or blood. It’s defined by commitment and LOVE. Just too many memories good and hard times we’ve shared. Family vacations , Thanksgivings, Christmas ... but my most precious memory of Erma was being there for me when my Mom was in the hospital and I went into labor with my first child. Sitting in Ernie’s recliner all day and then in delivery my husband told me Erma is right outside. I will miss you dearly and my heart will always be filled with love for you always.*
