“ I am going to miss Ethel very much. She called me her best friend at times. She loved my sister Georgette. We enjoyed the pool together even this last summer. She loved going out, anywhere she would say! One of our trips was to Grounds of Sculpture, she loved it. I never met anyone who loved little kids as much as her. The expression on her face would be priceless when ever we came across them. She loved her family and loved to share all the pictures. God bless you Ethel. Angela Vomero
