“ *You will be sorely missed, Uncle Phil. Hard to believe you've moved on to the next phase. Life goes by so quickly. I know you'll always stay close to the family in spirit. No doubt you will still be at every dinner. I'm glad you got to see Trump become president. I know that meant a lot to you (me too!) because we put country first. At least you could leave this earth with that piece of mind. :) See you on the other side. Bird*

“ Heartfelt condolences to Marion and all Phil's family ... as this beautiful picture of him reflects, he is enveloped now in early morning light, gentle breezes, the sun's warmth ... free of the insidious shackles that life chained him to as he journeyed on in years ... but always, each and every day, surrounded and comforted by the intense care of those who loved him ...

Now, he is as we shall always remember him: spirited, glowing, wonderful smile, hearty laugh ... because he is at peace ... he is safe ... he is home May God hold Phil in the palm of His hand

Our heartfelt love, Claire and Wendi
