“ Aunt Flo was a lovely, poised lady. She was the best cook - especially those pancakes and that buttermilk coleslaw (not together of course). I even recall getting the coleslaw recipe from her and trying to make it once - not as good as hers as one can imagine.

She always welcomed our visits to Staten Island when I was a youngster and any time after that. She was a gracious host, with an easy smile, and seemingly endless energy to finish the dishes right after cooking a big meal! Thank you for everything, Aunt Flo.

My heartfelt condolences go out to all who loved her.

Love you, Aunt Flo. You will be missed. Say hello to everyone.
