I was heartbroken to hear about your loss. Please accept my deepest condolences during this difficult time.

Some of my fondest memories are of the peaceful days we spent fishing together—sharing stories, laughter, and the quiet understanding that comes from being on the water. Those moments will always stay with me, and I hope you find comfort in the love and support of family and friends.

If there's anything I can do, please don't hesitate to reach out. My thoughts and prayers are with you all.

“ *I'll never forget that one Christmas at Grandma and Grandpa Goldens when you came to visit. I was probably only 6-8yrs old. I really didn't know you but that year you gave me a huge Barbie toy and I thought that maybe you were either a famous rock star or even Santa himself. Your generosity and kindness definitely left an impact...its almost 30 years later and I'll never forget that act of generosity and kindness. God bless you and your family.
