Chris & family

I am just learning about your mom's passing now. Unfortunately we had not been in touch with her since both my parents has passed and I did try calling several times to let her know about mom, she knew about Dad and did attend the funeral. We "The Healys" loved your Mom like family as well as your Dad. Miss the good old days in Brooklyn and Staten Island with all of them. Life as we know it has definitely changed our world and I hope this message finds you and your family safe & well. Please feel free to e-mail me at mbabcock@ptd.net, love to catch up!. Living in Milford Pa.buried in snow and more to come.
