“ *To my Dear Uncle & Godfather*

I will truly miss you and your love to my mother (your sister) and all of us since I was a child. I will never forget you coming to Brooklyn to take us all to your home in Queens and great times we shared all through the years. Your last words about my mother in Nov. were again the correct words and I know you will watch over us all from Heaven.

*Life is but a stopping place,
A pause in what's to be,
A resting place along the road,
to sweet eternity.*

*We all have different journeys,
Different paths along the way,
We all were meant to learn some things,
but never meant to stay...*

*Our destination is a place,
Far greater than we know.*

*For some the journey's quicker,
For some the journey's slow.
And when the journey finally ends,
We'll claim a great reward,
And find an everlasting peace,
Together with the Lord.*

“ *I already miss you Poppa. Michael was very lucky to have known you as his great grandpa AKA "big poppa" . You were the best grandfather I could have asked for. We shared alot. You taught me a lot. More about CMT than any doctor ever could. I know you run free now with no limitations. You had one heck of a welcoming party up there. The family won't be the same without you. But your wisdom, stories, jokes and laughs will never be forgotten.*

I will miss the jokes, the laughs, the advice and the stories. I'll miss watching old western movies with you . You have been such a great grandfather & and father inlaw I know your free of pain, free of walkers,braces & canes. I've always thought of you as the ROCK of the family. Thank you for being such a big part of my life, I will truly miss you.

Gona miss you Dad this apple didn't fall far from the tree, even though you said it was on a hill. I always valued you advice on any subject.

You fed me when I was hungry, you stood up for me when I couldn't stand for myself, and you carried me when I could not walk. I could never repay you for all you did for me. I hope to follow your examples. Say hi you John for me. Love Frankie
