“ *When I was a kid, I used polish Frank's shoes every Friday evening. He would generously over pay me for two pair of shoes! I remember him getting ready for a night out in his bathrobe singing to Barry Manalow's Coppia Cabana. He was the coolest person I knew. Great memories. I used to call him uncle out of respect. He will truly be missed!! So long for now uncle till me meet again! Ray Russo Jr.*
