“ As cousins Frank & I spent a fair amount of time together as youngsters. But my fondest memories are when Frank visited me in France when I lived there in 1989. We spent three days together & had a lovely time in the South of France. Will miss him. Love & best warm regards, Peter Nicolais

For the brief time I spent with him in my youth, Frank was like a father to me and treated me like family. May he find peace in the understanding that his worth was not defined by his worst moments, but by his capacity for growth, love, and genuine human connection.
