“ *I still am in disbelief with the news of Frankie's passing. We worked together for years and I remember when I started with the city and met Frankie. He had a tie hanging around his neck and open button shurt, he says to me, "got your 1st check, F'in joke right." And the years to follow were awesome with ups and downs especially on 9/11 and we did what we had to do. Rest in peace brother.* ”
