“ Dear Gabe, I'm a man of little words but I just want you to know I'm sorry I could not be there I'm away in Boston. I want to thank you for being there for my Mom and watching out for her. You were a very special person to her and she going to miss you a great deal. She told me things just won't be the same without you. So thank you again Astonn

“ Dear Gabe, I will always cherish the memories of you saying "Hi Sue", telling stories of daily events. Making me laugh, with your great humor. Having the cleanest car in the neighborhood. Your smile and your kindness.
You will never be forgotten. Blessings & Love

“ Gabe, you were my buddy. The person who was always there for me whenever I needed advise about fixing something and I was your favorite electrician. I'm going to miss our long talks sitting in front of your house. I look back and remember you and Joanie picking me up from the hospital and driving my car home and that's why you got your first Honda. We shared so many things as I look back at the last 12 years. Catching squirrels and driving them to the park. The list goes on and on. I'm going to miss you walking out of my house now will never be the same Gabe. With much love and admiration, Sofia
