“ *To the family of Gayle. I know your mom for many years. We laughed together and cried together on many occasions. I would get such a kick out of shopping with her. Pillows were her thing and we would leave with a car full of them in every color. Many times at Maria's house to play rummy-O she would come in her PJ,s always ready to go to sleep and always ready to win the game against Michael. She enjoyed being with her mom Olympia where they shared many laughs. Her biggest enjoyment was being with her sons and their families. Her grandchildren were her biggest pride. She was a very generous and kind person to everyone. She loved organizing birthday parties. So much that she even planned her own 70th birthday party and enjoyed being fussed over. I am sure she is happy being with her best friend Nick. Peace and Comfort to all.

“ *I met Gail a short time ago. The first time we spoke we found out we had so many things in common. We connected on a level that I never knew before on our first encounter. We then spoke in the phone a few times for a long time. Her love and kindness poured out from her in every day conversation. We met again and she and I got even closer. Our early lives were almost the same although we didn't know each other. She was loving , giving of herself , generous and kind. I will miss her as a “close friend” and pray for her and her family.*
