It just came to my attention and sadden my heart that a good friend has departed and I know that he is with the Lord. I send his wife, his daughter, and the family my condolences. I pray that as you think of George that God turns your tears to joy by flooding you with the good memories you had with him. (Sam)

“ George had a club in red hook, on pioneer street that my childhood friends would love to meet at on the weekends, it was the place to be growing up .he tai gut us his way of doing the hustle and we tai gut him our way ..

(different steps).there was a juke box and a pool table . George was a happy and great guy , never seen him angry and loved life..

He loved to dance and always had a smile on his face.dancing in his club was one of the best parts of my life..

May he forever rest in paradise, he will live forever in my heart and memory..<3
